SKI TRIP

On 12 February, a group of 35 students, accompanied by Mr Stone, Mr Collard, Mrs Collard and Mr O'Brien left CNS for Kaprun in Austria for the first ski trip since 1996. Staying in a hotel very close to the slopes, the group spent most of the week skiing on the Kitzsteinhorn Glacier, at heights of over 2500m. Guided by instructors from the Oberschneider ski school, students made impressive progress - skier of the week was Fergus Hooper (11CE). As well as skiing, there was no shortage of après-ski activities. In the evenings the group enjoyed an ice-cream evening, an evening's bowling - Austrian style - a ski show in temperatures of - 8C and an exciting but ill-tempered ice-hockey match between EKZ from Zell-am-See and the Salzburg Red Bulls. On the final evening, medals were awarded by the ski school and students had to cook part of their own dinner - a traditional fondue evening! It was a great trip, in spite of a few injuries. For next year - another trip to the same resort and hotel is being organised for Easter 2011. The trip will be open to students currently in Years 7/8/9/10 - details will available from Mr Stone shortly.

HECTIC WEEK FOR CREATIVE AND MEDIA DIPLOMA STUDENTS

Documentary filming at Blickling, Fashion Show, and Animation workshop at NUCA was a great week for our Creative and Media Diploma students, with three exciting events in one week! On Wednesday a group of students visited Blickling Hall to shoot footage for documentaries about the House and the Estate, filming behind-the-scenes interviews and exploring the House and its history. Another group of students also enjoyed a visit to Norwich University College of the Arts, learning animation techniques and creating two animations in one morning with staff and students from the Arts College. Thursday evening saw the spectacular "Passarelle", a fashion show organised entirely by students, showcasing their own designs and collections in an event that was attended by over 150 guests and raised over £1000 for East Anglia's Children's Hospice (EACH). The event was a great success and a triumph for the students who worked so hard to put it together.

WORLD MATHS DAY

Wednesday 3 March was World Maths Day. From 11.00am Tues until 11.00am Thursday it was 3 March somewhere in the world. Students from CNS enthusiastically challenged other students from around the world to various levels of Mental Arithmetic. It was good fun, very enjoyable but highly competitive at times.

SPORTS ROUNDUP

Year 11 Football: CNS 5 - 0 Sprowston - A fine performance sees CNS on the tails of league leaders Thorpe. Harry Fowler started the rout with a fine left footed strike while debutant Joe Copson clinically added a second. The third came from a characteristic Raph Gure header. The game was finished off by MOM Tom Kelly who added 2 to his total CNS career tally of 2!! The management team were delighted for Tom who has been a key member of the side since Year 8.

Year 8 Rugby: CNS 36 - 5 Wymondham High - CNS got off to a bang. MOM Hamish Riches scored 2 tries in the 1st half. Shaun Thomas scored another and then Billy Vaughan-Myhill scored a superb try and everyone screamed. Second half Wymondham came out fighting with a big guy who knocked Billy to the floor and scored a try. We finished the game with a try from Shaun and Hamish. Well done CNS bring on the next team! *Match Report by the Olly's and Shaun*

Year 9 Rugby: CNS 26 - 7 Methwold - In what should have been the final but for circumstances outside the control of coach, CNS dominated from start to finish with MOM Raf Ali impressing throughout.

Year 10 Rugby Semi-Final: CNS 17 - 7 Thorpe - A tight first half saw only a penalty kick from Ashley Pigott separating the two sides. Thorpe came out the stronger and a mistake by Pigott at an unfamiliar full back position let in Thorpe for the first try of the game. CNS had the wake up call they needed with MOM James Burgess using heads up Rugby and quick ball from the rucks which allowed David Tilsley to find a gap between the posts for CNS's first try. Joe Tennant with strength and endeavour added a second try in the corner while Pigott redeemed himself with an amazing conversion from the tightest of angles. CNS played Cliff Park in the final yesterday so ask your Form Tutor for the result.
