EATON ROAD

Please be aware that Eaton Road and the adjoining roads are a permit parking zone. The City Council have informed us that traffic wardens will be routinely checking this area and issuing parking penalties and fines. They will also be issuing fines for cars parked on the grass verges.

We would also request that parents collecting their children at the end of the day do not park outside the school in the no parking zones. We politely ask that you make sure you park your cars a short distance from the school and make arrangements to meet your child further down the road. Parked cars waiting for students outside of school are currently adding to the congestion of Eaton Road and hindering the safe passage of our students. As a school we are currently working very hard and in conjunction with Norwich City Council, Norfolk County Council, the Police and local residents to make the passage between school and home both safe and accessible and your support in reducing the congestion by not parking by the school gates would be gratefully received. Many thanks in advance for your support.

ROTARY YOUNG CHEF COMPETITION

The Norwich Round of the above competition was held this week at City College Norwich. Will Ives-Keeler VIFN and Toby Tuffs 10FW represented CNS. Toby was highly commended by the judges and was runner up in the competition winning £25. Will was placed first winning £50 and will go on to represent Norwich in the regional round at the end of this month. His show piece dish was his choux swans. Congratulations to both Toby and Will!

YEAR 9 INTO 10

Next week, there are meetings for Year 9 parents about choices for students as they move from Year 9 into Key Stage 4 and beyond. There is a wide range of opportunities and support is available to help students to choose the best pathway. Miss Ricketts, Mrs Edwards, Mrs Collard and Form Tutors are able to give advice.

GREEN THOUGHT FOR THE WEEK

Close your curtains at dusk to stop heat escaping - Just doing this could save you about £15 a year.

BAD WEATHER CONDITIONS

It was pleasing that we were able to remain open during the recent inclement weather. As usual should there be a need to close the school, information will be available through the school and county websites and local radio stations.

We would ask that students exercise extra care when coming to or from school in snowy or icy conditions. Additionally although we try to ensure that the school site is gritted and salted, extra care is needed when moving around the site. Many thanks for your efforts. Roll on sunshine!

SPORTING ROUNDUP

- Mon - Table Tennis (3.05 - 4.00) All Years
- Korfbal (3.15 - 4.00) Years 7 & 8 Only
- Tues - Futsal (3.15 - 4.00) Girls Only
