RAPID ENTERPRISE COMPETITION

Last Thursday, four teams of Y9 students attended the launch of the inter-schools Rapid Enterprise Competition which is being organised by The Norfolk Network. The teams were given their brief to design, market and pitch a TV remote control with features that will appeal to a specific group of end users ranging from young children to the elderly. The teams attended workshops covering creative design, finance, marketing and presentation skills and will attend a 2 day work shop at Hethel Engineering next week to produce a proto type of their product. The competition will climax in a Finale Day on Friday 10 July when teams will present their ideas in the 'Dragons' Den'. Good luck to all participants!

MUSIC CHALLENGE DAY

A group of Y9 students attended a Music Challenge Day at Future Projects last week. The group decided to call themselves 'Box Face' and spent the day creating three tracks - 'Cowbell Jazz', 'Psychotic Monkey Mix' and 'I Can't Breathe' which were recorded and mixed by the students. A unique CD cover was also created by the group - look out for posters around school. We are hoping that the tracks will be available for download from The Gateway in the near future. The enthusiasm, attitude and behaviour of all students were exemplary - well done to everyone taking part in this very productive day.

EATON PARK MOTH HUNT

This will held as a drop in from 8pm - 11.30pm at the Rotunda, Eaton Park on Saturday 13 June. Get to know moths and join the moth hunt later in the evening - bring a torch to help!

CNS FESTIVAL

Every year we celebrate our specialist status in technology and the arts with a two week festival. This year there will be a host of exciting events from Monday 22 June through to Saturday 4 July. Students will have special lessons delivered by experts on topics such as: lasers and the maths behind top gear stunts. At lunch time they will be able to find out about other technologies such as 3D printing, rollercoaster simulators and forensic science. The first week of the festival sees our highly regarded annual Design Show take place at The Forum and in the second week we look forward to the Summer

Concert and the Arts Show Case, including for the first time a full scale exhibition of art work.

U14 Rounders vs Thorpe St Andrew - Unfortunately the team were let down by 5 regular players at the last minute which made the game difficult from the start. Again CNS were excellent in the field but lacked confidence with the bat. Izzy Faulkner bowled superbly in the first innings going the whole time without bowling a single no-ball! Leah Atkins also contributed well to the bowling while Laura Watson continues to impress in the field. Mia Hunter was once again a solid performer on 2nd post while Chelsea Pettifer scored most in the batting. The girls who turned up played very well and were unlucky to finish on the losing side 18½ - 6.

Sainsburys & Tesco vouchers - Now ended - please bring in all your vouchers and hand them to any member of the PE department or main office. Many thanks to all who have collected so far, the PE department is extremely appreciative as are students who benefit greatly from the equipment acquired.

Good luck to all CNS athletes performing at the Norfolk Athletics Championships tomorrow, taking place at the UEA Sportspark.

Fixtures

- Tues 16 June - U13 Cricket vs Dereham Northgate (H)
- Wed 17 June - Norfolk Intermediate Swimming Gala (UEA)
