We seek appropriate individuals to assist in supervising our students at break time for around half an hour each day. Pay is approximately £7 per hour and all appointments are conditional upon full Criminal Records Bureau clearance. Appropriate training will be provided.

THOUGHTS WITH WILL TWEEDY'S FAMILY

On Thursday, several members of CNS joined with many friends and neighbours to say good bye to Will Tweedy. We hope that memories of Will's spirit and courage provide some comfort for his family as they come to terms with their loss.

Badminton - Huge congratulations to Daniel Cordeaux (Year 9), Vivek Sharma and Ed Allen (Year 8) whose performances this year have led to all three being chosen to represent Norfolk County.

Athletics - Good Luck to Harry Newenham (Year 10), Emily Garravand and Stephanie Burt (Year 9) all of whom will be throwing the Javelin representing Norfolk at tomorrow's Anglian Schools Championship at the UEA.

Cricket - With only one game remaining in the league, the U13's are still undefeated after a comfortable victory against Sprowston where the visitors only managed to muster 45 for 9, Owen Spalding taking 3 wickets for an impressive 3 maiden overs. The domination allowed for a flip of the batting order with Matt Selby showing a natural flair with the bat (13 not out) hitting two boundaries in the process. With rumours of our continued domination of the league spreading, it came as no surprise when North Walsham conceded the result to us this week. With both CNS and Thorpe St Andrew undefeated, next week's game will prove to be a nail biter.

Wednesdays 7.00 - 9.00 starting
12th September 2007

“Astronomy is one of the oldest sciences and yet astronomers are continually visiting new worlds, discovering new elements to the solar system and exploring phenomena such as black holes, the Big Bang and life on Mars. It is dynamics such as these, that make the study of astronomy a stimulating experience for students.”

The course will run throughout the school year - the tuition fee will be £150 per student (£80 for those in full time education or in receipt of benefits). The exam fee will be about £27.
