YEAR 10 PARENTS' EVENING

The date of our Year 10 Parents' Evening has been changed and will be on 4 December and not as stated in the school calendar.

GUIDANCE DAY

Last Friday all students enjoyed a wide variety of different learning activities. On this non-uniform day Year 7 were involved in team building activities; Year 8 were problem solving in Maths and Science. Year 9 students engaged in activities relating to team work and personal safety (including sex education and drug education). Our Year 10 students were involved in enterprise activities, working on a business plan and designing products. Year 11 students concentrated on their career choices for the future. Year 12 & 13 students were involved in academic and enhancement activities related to their 'A' level studies. An excellent and exciting day!

YEAR 11 CHAMBER CONCERT

The concert will be held in the Arc on Tuesday 21 October at 7.30pm. Tickets are available on the door.

ANTI-BULLYING WEEK 17 21 NOVEMBER

Would you like to be involved during this week? Organise a break and/or lunch activity, take part in one of the Year Assemblies or do some fundraising? Any ideas welcome to help raise awareness during this week. If you are interested in helping or if you have any great ideas please come to a meeting on Monday 20 October lunchtime in Room 75 or speak with Miss Rooke.

WELL DONE!

Over the past few weeks some of our students in the Norwich Cycle Speedway Club have done very well. Joshua Colby finished 3rd in National Youth and Junior League U14, James Wakefield finished 3rd in East Anglian U16, Robert Warminger finished 3rd in East Anglian U13 and Lewis Connor finished 4th in Division 2/U16 South East Riders Championships. Robert Warminger came 1st in the Norfolk Grand Prix Series U13/Novice with Tommy Wakefield finishing in 3rd place. In the Premier Combination League the club has finished in 3rd place and Joshua Colby, James Wakefield and Liam Parker have been the solid foundations of the team; the club also came 3rd in the South East Youth League. Congratulations boys.

SPORTING ROUNDUP

Talented Athlete Grant - Any athletes who live in the Norwich City Council area and have qualified or have been selected to compete at regional level or above in a sport recognised by Sport England, (see website for eligibility) can apply for a grant of up to £300 per year. For more information about the grant or an application form, contact the Norwich City Council Sports Development team on 01603 212123 or email; sport@norwich.gov.uk.

U13 Football - Days like these come along once in a blue moon. With the score at 0-0 on the half time whistle, the game was tight, but once the first goal hit the back of the net the flood gates opened. MOM awards will have to go to Oliver Henery & Dean Morgan for two well taken hat tricks. With Solfi Goss adding to the score and Elliot Ward marshalling the defence from the back this match will long live in the memories of a team fast developing into a major force. In a post match interview the CNS manager was quoted as saying "Just like watching Brazil", which says it all.

U14 Football - In a nervous encounter CNS rushed to a four goal lead with goals from Matt Larkman (2) and Jack Parker (2). With only ten minutes left on the clock panic set in as Hewett hit back with 3 goals in 7 minutes. CNS managed to hold back the attack with a huge sigh of relief on the final whistle. MOM goes to Joe Cox who worked tirelessly throughout the game.

Norwich Talent ID Cross Country - A good turnout from CNS saw two of our girls finish 1st and 2nd. Well done to Mabel Beckett & Esme Salmon respectively, we will watch their progress with great interest.
