HOUSE CAPTION COMPETITION

This is the winning caption of the competition that the house system ran. Ally Ash received a £20 Chapelfield voucher and 100 credits.

"Miss Garlick was so annoyed with people wearing incorrect uniform she resolved to wearing it herself."

CAMPUS 2007

Over the Easter holidays, major renovation work will take place in the Science corridor and at the front of school. This is all part of the project to create more of a 'campus' feel to the CNS site as we prepare for becoming a bigger school in September. The Skinner Centre, that began to be used this week, is already proving to be popular. A celebratory event to mark the expansion of the school will be planned for the late Summer and early Autumn, by which time the 'campus' will be complete.

ENVIRONMENT QUESTION TIME

Thanks to Mr Bewick and Mrs Abbott for another high quality and thought-provoking Environment Question Time. Our own Jake Hooton held his own amongst a panel of academics, activists and local authority officials that included Bruce Tofield, Mark Crutchley, Dominic Allen and John Sanderson. Questions posed included: 'Is Global Warming a hoax?' and 'What lessons can be learned from the recent outbreak of bird-flu in Suffolk?'

Well done to Holly Cooper (Year 11) and Esme Salmon (Year 8) who performed well at the English Schools Cross Country last weekend. Esme came a very impressive 3rd out of the 11 Norfolk representatives.

Highlights of the Term

U15 Football scoring 43 goals in 7 games and topping the league will not be beaten in a hurry, while the U13's notched up a 5 game undefeated streak this term. Both the U14 & U13 Basketball teams went undefeated with both teams winning their league and awaiting their respective play off finals. U14 Girls Badminton went undefeated on route to the final only narrowly losing out to Thorpe. U19 Boys Badminton are also without loss this term. Let's hope the Summer term will be as equally rewarding for the fine young crop of sports people we have at CNS.
